

NEXTFOOD partners meeting České Budejovice (CZ) 27-29/5/2019

NEXTFOOD partners meeting is going to be held in the Czech Republic in the city of České Budějovice at the University of South Bohemia

How to get to České Budejovice (CZ)

Dear partners,

I'm sending you the information about the route from the Prague Airport to České Budějovice. You have several possibilities. You can take a bus, train or taxi. I recommend to take the bus. This transfer is the least complicated. The bus company called Regiojet offers the direct connection from Airport to České Budějovice. When you decide for the train connection, you have to take the Airport Express to the main train station in Prague and then you must take the train to České Budějovice. All the connections are frequent. I give the detailed information about transfer in this email. If you have any questions, let me know. I will be happy to help you.

Kind regards
Nela
