**Educating the next generation of  
professionals in the agrifood system**

---

**NextFOOD Platform**

---

Find all the latest models, teaching tips and lessons-learned from the NextFOOD case studies.

**NextFOOD is a project based on an on-going evaluation process that provides reflection on the performance of each case and enables the case leaders to receive feedback. Involved stakeholders learn and improve their curriculum, and learning outcomes of each case are transferred between cases.**

**In the NextFOOD platform, you can find all the latest results from the case studies such as Action Learning models, teaching tips and lessons.**

**Get access to NextFOOD's experience.**

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 771738
